Gentlemen,

I want to thank your company for the commitment and quality service you provide our school district throughout the school year and especially during our summer renovation projects. Your expertise and professional tradesman allowed our projects to be completed in a timely, accurate, and cost effective manner.

It is a pleasure to work with a company who is will to go the extra mile in providing quality customer service and workmanship.

I look forward to working with your company in the future on other school projects.

Sincerely,

Dick Vida  
Director, Maintenance Services
